**Every worship (including class workshops) MUST**

- Open our chosen call and response that is Christian – adult leading “Peace be with you” children response “an also with you”.
- GERS – Gather, Engage, Reflect, Send
- A link to the Bible or a specific Bible focus - link back to the **Bible** or to the **Christian value**, you can always use some of the quotes for this term, which I have given you.
- Hymn & Prayer (some music in class workshops instead of a hymn)
- Send message – adult leading “As we leave this place and go on with our day” children continue “let us continue to grow together towards life in all its fullness.”

**Class workshops – There are 3 set workshops that you must do (Chinese New Year, Online Safety & World Religion Day). The other 2 you can either do Picture News or you may have an area that you would like to address with you class linked to Personal & social issues or some Reflection & Spirituality time**

Picture News is an online resources that provides opportunities for learning from around the world. It uses current news stories, images and thought-provoking questions to support Workshops & teaching <https://www.assemblies.org.uk/index.php> - a great online resource if you would like to look for an alternative to the links above.
