Safeguarding

- Mr Lung is the school's Designated Safeguarding Lead and works with our staff to help our children learn about staying safe. Mrs Williams is our Deputy Designated Safeguarding Lead.
- We encourage children to name who their 5 trusted adults are; people who they might go to if they had a problem or worry.
- Sometimes we need to talk to families about questions or concerns we might have.
- Please talk to us to share anything that you think we should know about your child's welfare and/or if any family circumstances change.
- Mr Lung is also our Designated Teacher for children looked after (children who are or have been in care (adopted)).
- We want to work with families to help each child feel supported and flourish.

Feeling heard

We encourage children to speak to a trusted adult.

We will make time to listen. This may not be right away but at a time and place that is suitable.

We also encourage children to use the class SPEAK OUT box where they can ask a question or write a comment for the teacher to read and respond to with their name on or anonymously.

Inclusion including SEND (special educational needs and disabilities)

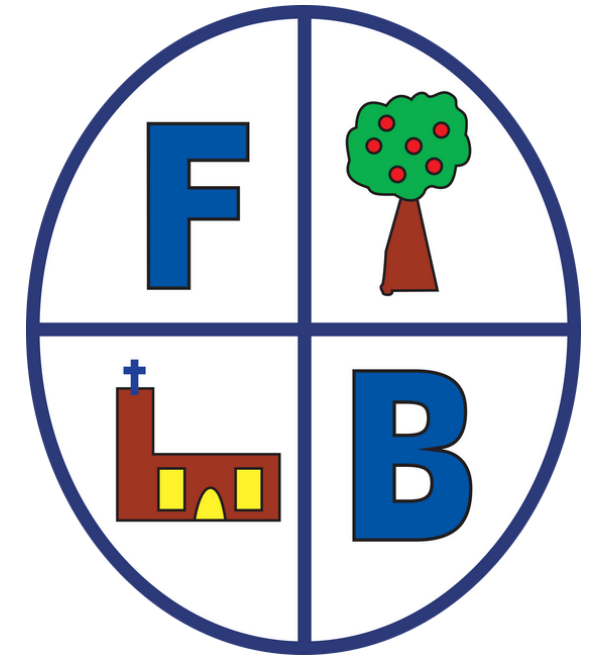

- Mrs Williams is our SENDCo.
- She will work with staff and families to coordinate support for children with SEND.
- If you have any questions or concerns about your child's learning and progress, please come and see your child's teacher first who can listen and share more about what we see in the classroom. We will then refer to Mrs Williams as the next step if necessary.
- You can find more information on our website.

On time

If your child (or you) are experiencing some struggles in coming to school for any reason, please speak to us so we can be aware and work with you to help your child come in happily each morning.
