## Home Learning optional projects

If you would like to, please choose one project and bring it in during the first week of term 6.

### Option A

**History** – This term we are learning about the Ancient Egyptians

Find out more about scarab beetles. What are they and how were they used? You could make your own from salt dough, clay or tin foil....

### Option B

**Science** – This term we will be learning plants.

Explore your garden or a nearby outdoor area and look for different types of plants. Draw the plants you find and try to identify their names.

### Option C

**Art** - we are exploring the work of Kimmy Cantrell.

Use any media to create your own abstract mask eg clay, paper, cardboard, papier mâché.....

You can find our yearly learning journey on our [school website](#). This shares the units in each subject that we will teach this year.
