

ALL YOU NEED TO KNOW

Term 5 – Maple Class

Don't forget

- PE is on a Tuesday and Wednesday.
- Sunhats for the warmer weather!
- We ask that children please read at least 4 times a week. We will also be sending out weekly word strips in their Reading Records of the phonics learning that week to practice at home. Thank you as always for continued support at home!

Can you help?

Our [Amazon wish list](#) has been updated and can be found on our school web page. We're so grateful for any donations, thank you!

This term we are reading ...

Cave Baby– Julia Donaldson

The Girl and the Dinosaur – Hollie Hughes

You can find more recommended books for [here](#).

| 19.5.26 | Open classrooms after school (3.15-3.40) |
| 21.5.26 | Whole School Reflection afternoon – off timetable |
| 22.5.26 | Last Day of Term |

Home Learning optional projects

If you would like to, please complete one of our home learning projects and bring it in to share with the class!

Option A

History – In history this term we are learning about seaside holidays in the past. Could you design and write a postcard as though you travelled back in time to a Victorian seaside holiday, showing what you might see or do?

Option B

Science – In science this term we are learning about plants. Could you plant a seed and take care of it as it grows, and note down what it needed to stay healthy and keep growing?

Option C

Art – In art this term we are learning about creating with mixed media. Could you create a landscape scene, such as mountains, the seaside or countryside, using scrap materials like cardboard, newspaper, fabric, paper, foil or natural materials like leaves and sticks? Think about what will be in the foreground/background.

You can find our yearly learning journey on our [school website](#). This shares the units in each subject that we will teach this year.

Growing together towards life in all its fullness
