

ALL YOU NEED TO KNOW

Term 6 – Maple Class

Don't forget ...

- Water bottles and sunhats for the warmer weather
- Coats / jumpers
- Reading record and reading books everyday
- We ask that children please read at least 4 times a week, to embed their phonics learning. Thank you as always for your continued support at home!

This term we are reading ...

Julian is a mermaid by Jessica Love

Leo and the Octopus by Isabelle Marinov

You can find more recommended books for [here](#).

Upcoming dates

Thursday 18th June

Class photos

Tuesday 23rd June

Reception & KS1 Sports Day (am)

Tuesday 30th June

Move Up Day

Friday 26th June

FBSA Express Yourself World Cup themed day

Home Learning optional projects

If you would like to, please complete one of our home learning projects and bring it in to share with the class!

Option A

Geography – In geography this term we are learning about how countries in the UK are different. Could you make a poster about anywhere you have visited in the UK and its features – what is similar / different about it to Flax?

Option B

Science – In science this term we are learning about animals. Could you make a 'How to look after...' guide for an animal of your choice. It could be your pet fish or a tiger!

Option C

DT – In DT this term we are learning about lots of different kinds of puppets and will be making our own hand and finger puppets too. Could you make a sock puppet at home?

You can find our yearly learning journey on our [school website](#). This shares the units in each subject that we will teach this year.

Growing together towards life in all its fullness
