

Don't forget

Reading records are checked every Friday.

Use [TTRS](#) and [Spelling Shed](#) 3 times weekly for home learning.

PE days are **Thursdays** (athletics) and **Fridays** (cricket).

Can you help?

A BIG thank you to our army of volunteers who will be helping create some fantastic play props, sets and costumes for our production of Giggibox this year.

This term we are reading ...

The Boy in the Tower by Polly Ho-Yen

You can find more recommended books for Year 6 [here](#).

Upcoming dates

13.07.26	Y6 production to school
14.07.26	Y6 production to families (6pm)
17.07.26	Picnic with Chestnut buddies
22.07.26	Shirt signing & Y6 leavers service

Home Learning optional projects

If you would like to, please choose a project and bring it back during the last week of this term.

Option A

Geography - Trade

Choose a product (this could be anything from food to clothing) and create a fact file to show which countries are involved in the production of this product. Where does it grow? Where are the factories? Where is it sold?

Option B

Science – Properties of Materials

Fold aluminium foil into different boat shapes and add some coins to see which design holds the most weight before sinking. Film your experiment or take pictures and write up your results!

Option C

DT - Food (Burgers)

Design the homemade burger of your wildest dreams! How will you make it balanced and healthy but also delicious? Create a recipe card and even try to make it yourself if you can.

You can find our yearly learning journey on our [school website](#). This shares the units in each subject that we will teach this year.
