ALL YOU NEED TO KNOW Term 2 – Willow Class

Don't forget ....

- PE is on Monday (Gymnastics) and Friday (Football)
- **Book bags (with Reading Records and phonics book)** and water bottles everyday
- The Willow Amazon Wish List is available via the link below

https://www.amazon.co.uk/hz/wishlist/ls/10JDF08FPS0ZU?ref_=list_d_wl_lfu_nav_3

- We will pause show and tell until after Christmas so that we can make time for all of our wonderful events in the lead up.

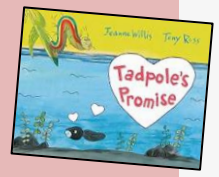

Can you help?

- **DT-** this term we are sewing Christmas decorations. Are you able to help out 1pm to 3pm on 15th/16th December?
- We are also going to be cooking on the morning of 17th December. Can you help?

Please email the Willow Class email account. Thank you!

This term we are reading ...

Tadpole's Promise by Jeanne Willis

Rapunzel

The Comet by Kate Wakeling

You can find more recommended books for Year 2 here.

15.12.26 16.12.26	DT sewing afternoons- parent volunteers needed
17.12.26	DT cooking morning- parent volunteers needed

Home Learning optional projects

If you would like to, please choose one project and bring it in on the first day back after the Christmas holiday.

Option A

Geography- This term we are learning about the North and South poles.

Choose a habitat in the North or South Pole and create a fact-file/poster/leaflet all about it. You might like to include information about: what animals live there, how the seasons change, what the climate and weather is like and any adaptations to living in the environment.

Option B

Science- This term we are learning about living things and their habitats. Take some time to go out on an autumn walk! Can you identify things that are living, non-living and once-living?

Choose something from your walk to research and create a fact-file/poster/leaflet. You might like to include: information about its habitat, how it moves, what nutrients it eats, its food chain and pictures or interesting facts!

Option C

History-
Next term we will be learning about Isambard Kingdom Brunel. Can you visit something he designed and make a photo diary?

You can find our yearly learning journey on our school website. This shares the units in each subject that we will teach this year.

Growing together towards life in all its fullness
