ALL YOU NEED TO KNOW

Term 2 – Beech Class

Don't forget ....

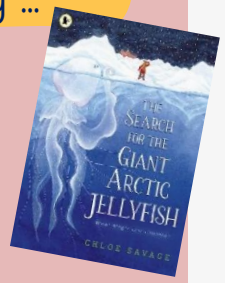

- **PE** is on Wednesdays (Volleyball) and Thursdays (Gymnastics).
- **Book bags** and **water bottles** need to be brought in every day.
- **Homework sheets** are given to children each **Thursday**, to be handed in by the following Thursday at the latest please. Children are more than welcome to hand it before if completed!

Can you help?

- **DT-** this term we are creating Christmas light boxes. During week 6 and 7 of this term, we will be designing and making these.
- We will need help for the morning and afternoon sessions. When dates are confirmed, please let us know if you are able to help for either of these sessions. Thank you!

This term we are reading ...

The Search for the Giant Arctic Jellyfish by Chloe Savage

You can find more recommended books for here.

Upcoming dates

27.11.26	Beech Class 'Mini First Aid' visit and workshop
10.12.26	Christmas Jumper Day & Christmas Dinner
11.12.26	FBSA Christmas Discos & Santa visit

Home Learning optional projects

If you would like to, please choose one project and bring it in on the first day back after the Christmas holidays.

Option A

Geography - This term we will be learning about settlements. Research a city or megacity that interests you. Create a fact file or poster.
What is its population? What amenities does it have for the people living there? What are the special features that attract visitors? Where is the city and why is that a good location?

Option B

Science – This term we will be practising our enquiry skills. We will be making a solar oven.
What can you find out about solar energy? What are its advantages and disadvantages? Make a poster or a fact file.

Option C

DT- We will be using our wood working skills to join pieces of wood together and create a mixed media screen to create a Christmas light. Can you make an object using your joining skills of sawing, gluing and hammering nails?
You could make a picture frame, treasure box or Christmas decoration.

You can find our yearly learning journey on our school website. This shares the units in each subject that we will teach this year.

Growing together towards life in all its fullness
